5 years annualised	4.96%	Nov-03	Oct-08	4.30%	Aug-01	Jul-06

The information above is derived from simulated data provided by the investment manager. It is shown for illustrative purposes to indicate historical performance had the portfolio been available over the relevant period. The performance is net of investment manager fees. Rebalancing of the portfolio has been applied annually. Past performance is no guarantee of future results and current performance may be higher or lower than the performance shown.
